Press Release No. 103

## **A320 Simulator Certification**

Ansett Aviation Training has just completed CASA Level D certification of a new CAE 7000 series Airbus A320 Full Flight Simulator.

The certification of this simulator brings the total to 12 Full Flight Simulators at the new expanded simulator training facility and is the second CAE A320 Level D, Full Flight Simulator at Ansett.

Ansett Aviation Training look forward to supporting airlines in the Asia Pacific region with additional A320 simulator capacity into the future.

Ansett Aviation Training is the largest aviation training facility in the Southern hemisphere servicing Australian and International Airlines. The facility boasts classrooms, briefing and CBT rooms and highly experienced Instructors.
