# PRESS RELEASE

Press Release No. 102

## **Pilot Training Program**

Ansett Aviation Training has joined with Altara for a program to deliver operational ready First Officers for Regional and International Operators, beginning in the 1<sup>st</sup> quarter of 2009

This cadet program is a total solution, using airline driven course material and experienced airline Instructors from initial selection through to endorsed type rated First Officers

Ansett and Altara will release further details on the First Officer Academy in coming weeks

Ansett Aviation Training is the largest aviation training facility in the Southern hemisphere servicing Australian and International Airlines.

Altara is a Consulting and Training organisation with extensive experience servicing airlines, corporate and charter operators across the globe.

For further details please contact:

Graeme Smith (Ansett) – 613 9373 8000

Karon Hughes (Altara) – 613 9948 9449
